

South Beach Road Association members:

The following road work will occur next week and will affect travel on South Beach Road and Nescope Drive.

NESCOPE DRIVE BETWEEN THE INTERSECTION WITH SOUTH BEACH ROAD AND NESCOPE COURT

Monday, July 15: Grading and preparation for paving. Delays may be experienced, but road will remain open.

Tuesday, July 16: Paving and addition of crushed rock along the shoulders. **Road will be closed during paving and for 2 to 3 hours after its completion.** Work will begin in the morning.

SOUTH BEACH ROAD BETWEEN HIGHWAY 101 AND THE BRIDGE

Wednesday, July 17: Excavation and filling of the cavity below the pavement immediately east of the bridge. **South Beach Road will be completely closed to all traffic during this period, starting at 8 am and continuing for several hours.** Once the work at the bridge is complete, the pavement from Highway 101 to 50 feet west will be dug up. The road will be open as the old pavement is being removed but expect delays. After the pavement has been removed, the roadbed will be prepared for paving.

Thursday, July 18: Completion of preparation and paving of South Beach Road between Highway 101 and the bridge. The road will be closed during paving and for 2 to 3 hours after that. **Expect the road to be closed between 8 am and noon.**

The bridge will be open to pedestrian traffic during construction.
